Come join your colleagues from Wyoming, Montana, Utah, Colorado, North Dakota, and South Dakota to discuss issues and trends that affect all providers of community services.

We will hear from national experts on HCBS transition planning, the workforce crisis, DOL overtime rule, and rate setting. There will also be a panel made up of representatives from each state who will talk about concerns and successes that are present and projected.

In addition to the knowledge that you will gain, there will be lots of networking opportunities and fun in beautiful Jackson Hole. The hotel is within walking distance to historic downtown Jackson, close to the Teton Mountains, and a couple of hours from Yellowstone National Park.
